Experience

Pho Ha Grill & Bar

Oceanside, CA

Shift Lead

Dec 2021 - Dec 2025

- Supervised a team of 10+ employees in a fast-paced, customer-oriented environment, developing leadership and operational management qualities while handling thousands of dollars in sales transactions each shift.
- Onboarded 5 new employees on workplace procedures, improving communication and team coordination skills.
- Analyzed metrics across Grubhub, DoorDash, and Uber Eats to identify inefficiencies, implementing UI changes and optimizations that increased online orders by 25%, strengthening data analysis and technical skills.

In-N-Out

San Diego, CA

Associate

Dec 2023 - Aug 2024

- Collaborated with a team of over 30 employees across simultaneous high-volume stations, adapting quickly to shifting operational demands and maintaining efficiency during peak service periods throughout the week.
- Delivered professional service to hundreds of customers per shift while maintaining composure and efficiency.

Leadership & Activities

Vietnamese Buddhist Youth Association

San Diego, CA

Youth Leader

May 2019 - Present

- Spearheaded community fundraising campaigns through prayers and banquets, generating thousands of dollars in direct relief aid for flood victims across Vietnam and supporting international humanitarian efforts.
- Planned and executed summer camps and weekly meetings for 60+ members, building project management and organizational skills while fostering a sense of community and belonging among youth participants.

National Speech & Debate Association

San Diego, CA

Parliamentary Debater

Aug 2020 - Jun 2024

- Competed in Parliamentary Debate at tournaments across California, earning a varsity performance award against hundreds of peers while building advanced argumentation, public speaking, and case-analysis skills.
- Researched, synthesized sources, and drafted written cases on rotating resolutions across policy, international relations, and ethics, analyzing unfamiliar issues and refuting complex arguments under time pressure.

Projects

Legal CRM

Jun 2026

Web Application | JavaScript, Supabase, Claude API, Google Workspace

- Built and actively maintain a personal, legal CRM that manages a growing network of 50+ attorneys, judges, and mentors through a searchable contact directory, built-in Gmail inbox, and calendar-based follow-up scheduling.
- Cut outreach email drafting time by 90% by integrating AI that converts meeting and contact notes into structured contact records and drafts context-aware emails tailored to each recipient's role and history.

Athena

May 2026

Web Application | React, Node.js, Supabase, Claude API, Mapbox

- Architected a web application that ingests short-form media, web links, and PDFs and uses a Claude API tool call to transcribe, summarize, and categorize each item in a searchable, mapped archive for quick retrieval.
- Improved classification accuracy, the review workflow, and overall UX, as measured by feedback from 10+ private-beta users, by launching the app and shipping new iterations from real usage and direct input.
